

Gymnastics Energy

Community Partnerships

2018-19

Gymnastics Energy is a not-for-profit athletic organization that has been serving the Niagara region for over 50 years. Every year, over a thousand children of all ages swing, bounce and flip with us!

Our programs emphasize fun, fitness and the fundamentals of gymnastics. We offer a wide range of recreational programs including artistic gymnastics, rhythmic gymnastics, trampoline, tumbling and Ninja Warrior classes. We also offer competitive programs including Women's Artistic Gymnastics, Men's Artistic Gymnastics and Power Tumbling.

Our club is proud to offer subsidized programs to Family and Child Services in Niagara, and special needs children across the region. We welcome athletes of all levels and abilities, and with the help of programs such as Canadian Tire Jumpstart, YMCA Prokids and KidSport Niagara, we strive to ensure that gymnastics is accessible to all.

Your donation can make a huge difference to the quality of our athletes' experiences. Included in this sponsorship package is information on what Gymnastics Energy has to offer, as well as details of our sponsorship program.

OUR PHILOSOPHY

Gymnastics Energy's vision is to promote health and wellness through quality instruction, in an environment of co-operation and active participation, in order to reach each athlete's maximum potential. Our club's belief is that positive energy equals positive results. Our goal is to provide an atmosphere where every athlete feels accepted, valued and respected. We believe that developing young disciplined athletes through the sport of gymnastics will enrich their lives for years to come.

ABOUT GYMNASTICS ENERGY

Our Programs:

Recreational

At Gymnastics Energy we offer recreational programs for everyone. These programs include parent and tot classes, kindergym programs for little ones with boundless energy, and classes for children between 6 and 12 years of age. In addition to traditional (artistic) gymnastics, we also have specialty programs such as tumbling, trampoline, ninja-warrior, and rhythmic gymnastics. Adults are also welcome to join us for our new adult beginner class, where they can try something new or perhaps try to regain skills from their youth.

Competitive

Gymnastics Energy offers progressive pre-competitive and competitive programs designed to prepare athletes with strong gymnastics abilities and passion for the sport for Invitational, Provincial or National level competition. These athletes not only strive to master and perform the challenging sport of gymnastics, but they also learn the valuable life skills of time management, discipline, dedication and team work. Athletes are challenged by our positive, supportive coaching staff in what has become a family-like atmosphere.

Day Camp

Gymnastics Energy offers day camps during the summer, winter, and March breaks. Children age 4 and up spend the day learning gymnastics with NCCP certified coaches, playing active games and enjoying theme based crafts and activities.

Birthday Parties

Gymnastics Energy hosts birthday parties on the weekend afternoons. These can include pizza and cake, or you can provide your own food with an hour in the gym with a certified coach and an hour in our birthday party room for celebrations!

Our Coaching Staff:

All of our coaches are certified through the National Coaching Certification Program and Gymnastics Ontario's Risk Management Program. Our coaches are fully committed to providing the skills, knowledge, support and encouragement required in order for each athlete to be the best that they can be. We have also implemented a valuable coach-in-training program where our young men and women shadow and learn from their certified peers. Gymnastics Energy's coaching team offers a professional, nurturing environment where every athlete's accomplishments are celebrated.

CLUB STRUCTURE

Gymnastics Energy is a non-profit organization that operates under the leadership of a volunteer board of directors. This Board includes parents of competitive athletes, the Executive Director and head coach. The Board strives to manage the club to ensure its continued growth, as well as the satisfaction and enjoyment of all its members.

SPONSORSHIP OPPORTUNITIES

Gymnastics Energy is inviting local businesses and community groups to join our sponsorship club. Your sponsorship will not only support our community's youth, it will also provide you with the opportunity to promote your company.

Bronze Level (\$250)*

- Corporate name/logo on sponsorship banner in lobby (pop-up banner includes all sponsors)
- Corporate name displayed on Gymnastics Energy website
- Corporate name mentioned on social media

Silver Level (\$500)*

- Small sign (approximately 4'x4') displayed in parent viewing area (sign to be paid for and provided by sponsor)
- Corporate name displayed on Gymnastics Energy website
- Corporate name mentioned on social media

Gold Level (\$1000)*

- Large sign (approximately 4'x8') displayed in parent viewing area (sign to be paid for and provided by sponsor)
- Corporate name mentioned on social media
- Corporate name and logo displayed on Gymnastics Energy website

Community/Birthday Party Room Sponsor (\$5000 for 5 years)

- Sign located on both party room entrance doors (sign to be paid for and provided by sponsor)
- Sign or painted wall in room (to be paid for and provided by sponsor)
- Corporate name and logo displayed on Gymnastics Energy website

Equipment Sponsor (varying amounts from \$300 to \$5000)

- At Gymnastics Energy we are always looking to purchase new equipment to either replace aging equipment or to expand our recreational and competitive programs. We have a wide range of equipment needs from \$300 all the way up to \$5000. If you would like to purchase a piece of equipment for Gymnastics Energy, please contact us and we will provide a list of our current equipment needs.
- We will advertise on our website and at the training centre that your company purchased the equipment (format depends on equipment purchased).

*Please note that Gold, Silver and Bronze level sponsor signs/logos will be displayed for one year (2018)

For further information on our sponsorship opportunities, please contact our Sponsorship Committee at gymnastics.energy@gmail.com, or call or drop by our new facility to view our programs in action.
